Attars

WHAT IT IS?

Albasir Attars: Albasir Attars is a revered name in the world of perfumery, known for crafting exquisite & luxurious attars. Drawing from a rich heritage & profound, knowledge of traditional techniques, Albasir Attars creates fragrances that captivate the senses with their depth, complexity & elegance. Each blend is a symphony of meticulously selected natural ingredients, resulting in a timeless olfactory experience that resonates with the beauty & mystique of the East.

THE ART OF CRAFTING ATTARS

Attars are crafted through an enchanting process that blends ancient tradition with natural artistry. It begins with selecting flowers, herbs, and spices, followed by steam or hydro-distillation to release essential oils. These oils are collected & blended with a base oil like sandalwood. This meticulous process can take weeks or months, allowing the ingredients to mature & harmonize, resulting in a pure, concentrated fragrance that captures nature's essence in its most exquisite form.
