Kashmiri Shilajit

WHAT IT IS?

Kashmiri Shilajit : Pure Himalayan Shilajit is a blackish-brown tar-like substance which is extracted from the mountain ranges of the Himalayas your superfood of all times. It is one of the most potent rejuvenating anti-aging blockbusters that mankind has ever known. Pure Himalayan Shilajit is attributed as having magical properties when it comes to overall healthcare. Let's get to know everything about this magical black herb.

SHILAJIT: NATURE'S HEALTH BOOSTER

Pure Kashmiri Shilajit is originated from the plant life in the Himalayas. Shilajit is a sticky, tar-like resin substance that oozes out of cracks in the Himalayan mountains in the summer as the temperature is raised in the rock by the summer heat. It is formed over centuries by the decomposition of plants and the activity of unique micro-organisms. Shilajit is considered as a millenary product of nature.
