# Lavender Oil

# WHAT IT IS?

**Lavender Oil:** Lavender oil is like a gentle hug for your skin. It's soothing & helps calm irritated skin, making it great for anyone with sensitive or acne-prone skin. Plus, it smells amazing & can relax your mind too. Whether your skin is dry or oily, lavender oil helps balance it out, leaving your skin feeling refreshed & happy. Adding lavender oil to your skincare routine is an easy way to give your skin some extra love and care.

## 100% NATURAL INGREDIENTS

**Lavender  
Oil**

**Coconut  
Oil**

**Almond  
Oil**

**Turmeric  
Oil**

**Vitamin  
'E'**

# BENEFITS

## **Soothes Irritated Skin:**

Lavender oil calms & soothes irritated skin.

## **Anti-Bacterial:**

Clears out dirt & oil, reducing the risk of breakouts.

## **Brightens:**

Brightens the complexion for a more radiant look.

## **Cleanses and Purifies:**

It cleanses the skin while also purifying it, helping to remove impurities.

## **Moisturising:**

It moisturizes & nourishes the skin, leaving it soft, supple and hydrated.

## **Anti-aging:**

Fights wrinkles and fine lines with powerful antioxidants.

## **Balances Oil Production:**

It helps balance the skin's natural oil production.

## **Collagen Production:**

It has collagen-boosting properties, enhances the elasticity & firmness of skin.

# HOW TO USE

## **STEP 1**

Wash your face with a mild cleanser.

## **STEP 2**

Take a small amount of lavender oil.

## **STEP 3**

Gently massage it onto your face, leave overnight.

Use everyday for best results.
